

PLEASE BE AWARE YOU NEED TO TELEPHONE SCHOOL BEFORE 8:50 TO REPORT YOUR CHILD'S ABSENCE, AND EVERY DAY THEREAFTER WITH AN UPDATE. FAILURE TO DO SO MAY RESULT IN A VISIT FROM THE PASTORAL TEAM AND YOUR CHILD'S ABSENCE WILL BE RECORDED AS UNAUTHORISED.

Attendance WOW!
Well done to Grayson Barnes who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

As the cold weather spreads upon us, that hasn't deterred us from learning inside and outside of the classroom this week. Additionally to have our first parent consultation of the year, it was wonderful to see so many of you. We had an amazing 80% attendance from our families and all the staff thank you for the wonderful comments left in our comment box. Finally, it was great to see everyone dressed for Children in Need. Well Done everyone for a great effort.

Learning focus

From Nursery to Year 6, our Computing lessons are thriving. Even our youngest, in Nursery and Reception, engage in role-play with phones and cameras. Children in Reception explore touch technology and basic programs. Year 1 children are mastering computer skills, while Year 2 dive into algorithms. Years 3/4 explore computer mechanics with Google Slides development as a focus, and Years 5/6 create video games with Scratch. KS1's Computing Club excels with iPads for virtual storybooks. Beyond school, we explore Computing in texts, music, films, and social media. For those of you who haven't yet seen, William Stockton also now has a Facebook page.

#ComputingatWS

Year 6 had a great trip to Crucial Crew to learn about being safe.

Thank you to all our parents and carers who attended our parents evening. We had a great turn out with 80% of our parents and carers attending

Remember Stay and Maths Friday 24th November 9am - 9:30am All parents invited.

Thank you for all the children taking part in raising money for Children in Need

ATTENDANCE WINNERS
