**Attendance WOW!**  
Well done to **Thomas Yarwood** who has won a **£5 voucher for Amazon** today for **100% attendance this week.** Who will it be this week? You've got to be in it to win it!

Would you believe that the end of the first half term is approaching? They say time flies when you are having fun, well this half term is testament to that. The amount of learning that has taken place and the new knowledge and skills that all children have learnt in such a small amount of time is amazing and this was evident in 5/6M's assembly this morning. Thank you to all that attended. Next week, there are a variety of events going on in school so please check the dates at the bottom of this page. Mr Allen

**Learning focus**  
At William Stockton school we are Artists! Across the school we are gaining a broad knowledge of artists from different paradigms and using their work to inspire us to create our own individual and unique pieces of artwork. In EYFS children are being given the opportunity to explore drawing, painting and sculpture. In the Autumn term in KS1 & KS2 we are teaching and embedding skills and building on techniques in drawing. Art is a fantastic subject to support well-being, giving the children time to relax whilst being creative.

On Monday, Y2 and Y3 and 4 are out on a trip. Please ensure that your child is on time and prepared for the trip as per the trip letter that was sent out.

Thank you to 5/6M for a wonderful class assembly. It was wonderful to see how much learning has taken place this half term.
