**Attendance WOW!**  
Well done to Finley Chesworth who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

A very positive week in school with lots of focus upon our curriculum and the development of learning in all the different areas. It was wonderful to see so many of you in school today for our stay and maths sessions. We know that the children really enjoy sharing their learning with you all.

### Learning focus

This week we have been blown away by the breadth and depth of the entire curriculum that the children have been accessing. There has been a real buzz around the school.

From Nursery with their 'Wheely Wednesday' to support their gross motor skill development; Year 6 and their work upon Ancient Maya. It is such a joy to hear and see what the children are learning at all levels.

Through the lessons the children are taught subject specific skills to support them in being a historian and being a scientist. It's wonderful to hear them talking about the subject areas with such passion.

William Stockton Key Stage 2 choir is sounding wonderful. We can't wait to spread Christmas cheer with our singing soon.

Christmas Activity dates will be released soon. Please keep an eye out for our special events which will be run by The Friends of William Stockton.

Thank you to all parents and carers who attended our Stay and Maths session today. It is lovely to see so many enjoying learning with their children.

Year 2 are on a Geography fieldwork trip next Friday 1st December. Please ensure your child is dressed for the weather forecast.
