

OUR WALKING BUS HAS BEEN A RESOUNDING SUCCESS - THANK YOU TO THOSE THAT HAVE SIGNED THE CONTRACT AND JOINED IT. WE HAVE AN OLDER PUPIL WHO HAS BEEN NOMINATED AS OUR DEPUTY WALKING BUS LEAD TO SUPPORT THE YOUNGER CHILDREN AS WELL - WELL DONE LEO FOR DOING A GREAT JOB!

Attendance WOW!

Well done to Nicholas Predel who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

Snow and ice have been all around us this week, but it hasn't dampened our passion and joy for learning at school. Instead, we have used the weather to support us with our learning and made the most of it by linking it to our curriculum where we can. Hopefully, the weather will begin to warm up soon and we will soon be able to identify signs of new life and growth.

Learning focus

Diversity across the curriculum.

We are incredibly lucky at William Stockton as we are blessed with such a diverse community. We ensure that we embrace this diversity to create a positive and inclusive learning environment. The rich tapestry of our school enables us to share many different experiences and gain an understanding of others as well.

We aim to support each child within our school, developing a feeling of belonging. We ensure that our curriculum celebrates this diversity so that the children gain an understanding of the world around them.

Thank you to 3/4D for an excellent assembly today sharing their learning

5/6F and 5/6C had a great trip to the library this week - other classes will be going soon. Please see the dates below

Reception have been walking around our local area looking at what is around them for their knowledge and understanding of the world - we are so proud of their behaviour. What ambassadors for the school
