Learning Focus

We're absolutely thrilled to share that music has a high priority at William Stockton, especially during the festive season! We're so incredibly lucky to collaborate with Miss Taylor from Little Voices, who helps us deliver a bespoke curriculum tailored just for our children. All students from Year 1 to Year 6 benefit from specialist teaching, making music lessons a highlight of their week.

In the Early Years Foundation Stage, music is woven into everything they do - in fact, they sing all day, every day! It's such a joyful and enriching part of their curriculum. We can't wait to hear those delightful Christmas tunes ringing through the halls!

Christmas songs are truly in full swing at William Stockton as we gear up for our festive performances next week! During this joyful (and incredibly busy) season for many of us, it's vital to remember the importance of kindness. This is a key focus in our school, and we've seen such lovely interactions among the students. With Christmas melodies ringing out from every classroom, there's a wonderful, heartwarming atmosphere enveloping the school. We can hardly wait for parents and carers to join us next week as the children showcase what they've been diligently preparing. It's bound to be a cheerful celebration filled with joy and talent.

PE Days and Jewellery.
