**Attendance WOW!**  
 Well done to Freya T 6F who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

### Learning Focus

Recently, our staff have participated in further training to enhance the development of our art curriculum. To inspire us even more, we've welcomed an artist into our school, who has shared wonderful ideas about promoting creativity and individuality in the children's artwork.

It has been absolutely delightful to witness the children's enthusiasm for the changes we've implemented in our teaching approach. Our art curriculum allows them to develop their skills year on year, exploring different techniques, learning about various artists, and ultimately creating their very own final piece. We can hardly wait to display these masterpieces at the end of each term! Plus, Mrs Lindsay will be collaborating with our visiting artist in the coming weeks to review and refine our curriculum, boosting the opportunities for our talented children. At William Stockton, we truly believe in striving for excellence!

What a week we have had! Our Year 1 children had an absolute blast visiting Liverpool FC's Academy, training there for a morning - what an experience that was! Meanwhile, our Year 2 children embarked on their first residential trip, and I must say, they were nothing short of wonderful, enjoying every single moment. We also had a well-attended Year 6 parents' meeting concerning their upcoming residential, and we're looking forward to the Year 4 meeting next week. In addition to these exciting events, we're planning a variety of parental pop-ins to boost engagement across the school. Keep your eyes peeled for the upcoming dates - we can't wait to see you all there!

Thank you to all the staff that gave up their time to take care of the Y2 children so well on their residential! The children all made wonderful memories

Please make sure your child has a full PE kit in school. Black jogging bottoms and leggings are permitted for winter months and a suitable pair of trainers or pumps.

Class	Percentage
RD	94%
