

## Attendance WOW!

Well done to **Kayima Nsofor** who has won a **£5 voucher** for Amazon today for **100% attendance this week**. Who will it be next week? You've got to be in it to win it!

**CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9.**  
**IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

### Learning Focus

As you know, science education is crucial for our children as it fosters a deeper understanding of the world around them. This term, we have an exciting array of topics lined up for our young scientists!

**In Nursery**, the children will marvel at the lifecycle of a butterfly, observing the magical transformation from caterpillar to butterfly.

**Reception** will delve into the world of plants, planting their own and naming wildflowers like daisies and dandelions while observing their growth over time.

**Year 1** will continue with plants, investigating how the colour of strawberries affects taste—what an experiment!

**In Year 2**, pupils will learn that plants need water, light, and warmth to flourish and will explore how to conduct a fair test.

**Years 3 and 4** will dive into forces and magnets, discovering push and pull forces and distinguishing between magnetic and non-magnetic materials.

Lastly, **Years 5 and 6** will embark on the fascinating subject of evolution, exploring how animals adapt over time and investigating bird beak variations and how the food available has caused bird beaks to adapt.

What a fun-filled Science term!

Class	Percentage
RD	99%
2LMC	98%
3B	100%
5/6C & 6F	95%

### Dates

**Friday 2<sup>nd</sup> May** - 1H class assembly

**Ready**

**Respectful**

**Safe**

### Parental Questionnaire

96% parents say their child is happy at school

96% of parents say their child feels safe at school

93% would recommend our school to others.

Welcome back to the summer term! It was lovely to see so many smiling faces return to school this week. Although it was a brief three-day work period, each day was packed with learning and fun activities. We sincerely hope you enjoyed the new format of our parents' evening—your feedback is always vital to us! We genuinely appreciate any thoughts you have on how we can improve this experience. Our goal is to continually enhance the offerings we provide for our children, families, and the community. Thank you for your ongoing support, and here's to an exciting term ahead filled with exploration and growth.

Thank you to all of our parents who have attended our parents evening. We hope you enjoyed our new format. Any further suggestions, please let us know.

## SMART AWARDS

Number Smart	Mireya P - 3B
Self Smart	Lohane A-K 2D
