

Attendance WOW!
Well done to Tyr 4R who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9.
IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN

What an incredibly proud week it has been for me as headteacher! I've had the pleasure of witnessing our Year 6 children tackling their SATs with such confidence and ease. The atmosphere was filled with smiles, laughter, and uncontainable joy – truly a delightful sight! Not only did our children work diligently to showcase their absolute best, but they also rallied together, supporting and celebrating each other's achievements. It's heartwarming to see such camaraderie and spirit! Parents, you should be tremendously proud of them; each and every one of them shone brightly throughout this experience. Well done, Year 6 – you've made us all so proud!

Learning Focus

A massive well done to our Year 6 children who truly excelled this week in their end of Key Stage 2 tests! These tests, set by the government, take place right across the country, and it's been fantastic to see every single pupil in Year 6 giving their utmost effort. That's all we ever ask!

Beyond the test scores, it was heartening to witness their remarkable strength of character, resilience, and determination. They approached each paper with such enthusiasm! A member of our Local Academy Board who observed the delivery of the papers even commented on the lovely warm relationships between pupils and staff, as well as the outstanding work-ethic displayed by our children.

So, go Year 6! You are shining examples for everyone at our school, and we are immensely proud of each and every one of you. Keep up the amazing work!

Year 4 will be approaching their Multiplication Times Table check soon. Make sure they keep practising, and aiming for top marks. These skills will make strong mathematicians in the future.

Our Y1 children will be taking part in their phonic assessments soon. They have worked hard to learn all of their sounds. Keep practising as knowing these sounds, builds the foundations for strong readers.

Class	Percentage
