**IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

**Learning Focus**

Over this term and next, our children have been thoroughly immersed in their art learning! In Nursery, the little ones have been exploring the vibrant world of Mondrian, arranging colourful squares and rectangles inspired by the artist himself. They'll soon be sharpening their drawing, painting, and sculpture skills – exciting times ahead!

Meanwhile, in Reception, the children are captivated by Van Gogh's famous Sunflowers. They're experimenting with different paints, including watercolours, and gearing up to create stunning sculptures using papier mâché.

From Year 1 to Year 6, our focus is on sculptures. Each year group is uncovering different styles, from African masks to innovative designs using natural and recycled materials to craft abstract models. What a creative journey we're on!

Unbelievably, it's the end of yet another half term, leaving us with just one fun-filled half term until the end of the academic year! It seems only moments ago we were welcoming back our students, and now here we are, preparing for the final push. As we take a well-deserved break, I encourage everyone to take the time to rest and recuperate. Whether it's diving into a good book, enjoying some fresh air, or simply spending quality time with family and friends, do what makes you happy. Let's return refreshed and ready for a busy term of learning ahead. Thank you for your continued dedication and hard work; it truly makes all the difference! Enjoy the break and see you on Tuesday 3<sup>rd</sup> June.

Thank you 1W for your wonderful display of learning in your assembly today. It was wonderful to see your confidence.

Huge congratulations to Mrs Doyle, Mrs Lindsay and Miss Bell. Over the last 2 weeks, they have all given birth to their beautiful babies making the William Stockton family even bigger. I'm sure you send your well wishes to them.
