**IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

## Learning Focus

This term in PE, we're emphasising the importance of physical education in supporting our children to lead healthy lifestyles as they grow. Not only does it instil the essence of competitiveness, but it also nurtures essential skills in communication, collaboration, and teamwork. These traits help our children build confidence, learn to gracefully handle wins and losses, and truly appreciate the value of being part of a team.

In Nursery, children are mastering running, stopping, and taking turns while working together. Reception are navigating obstacles and discovering how to play games collaboratively. Year 1 and 2 are developing their striking and fielding skills, focusing on throwing, catching, and batting accuracy. As for Years 3 and 4, they are preparing for rounders while sharpening their hitting skills. Finally, Year 5 and 6 are advancing their rounders game, hitting the ball further and covering more bases.

All children are also gearing up for our exciting Sports Days ahead!

Welcome back to the new term! We're excited to dive into what promises to be a bustling two months filled with engaging learning, trips designed to support our children's development, sports days, summer fairs, and of course, preparing the children for their transition to the next year.

We can't wait to invite parents into school, especially to our new families who are just joining us, as well as those who are sadly moving on after many wonderful years. For our families continuing their journey with us, we're thrilled to have you back!

Let's make this term memorable as we share and celebrate all the exciting moments together. Here's to a fantastic term ahead!

Please take note of the important dates coming up. We will communicate the dates with you as soon as we are able to secure them.

Please keep an eye out for important letters coming home about next academic year.
