IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

The weather has been wonderfully warm lately, and it's just lovely to see the sunshine brightening our days! The children are absolutely buzzing with excitement as we prepare for Sports Day next week. They have been busy practising their events, and it's delightful to witness their enthusiasm and camaraderie as they cheer each other on. We encourage parents to come along and support our young athletes; your encouragement truly makes a difference! It promises to be a fantastic day filled with fun, competition, and team spirit. Let's keep our fingers crossed for continued lovely weather.

### Learning Focus

What a fantastic week it has been, celebrating the wonderful creativity of our children in art! From the impressive big art installations in Reception to the stunning sculptures crafted by our Year 5 and Year 6 students, it's been a joy to witness their artistic journeys. Their skills have progressed tremendously this year, and we couldn't be prouder of the fantastic artwork they are producing. The enthusiasm for art shown by the children is truly second to none, and it's always delightful to see them express themselves so freely.

Soon we will be holding a parents stay and learn exhibition where the children get to share their work with you. We can't wait.

Thank you to Reception for sharing their learning with us. It was fabulous to see and hear their wonderful learning and confidence in speaking in front of a crowd. Well done.

Apologies, there is no summer Fair this year! Instead, we are going to be doing a summer shop and Grab a Bag, the popular name a teddy and raffle
