IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

What a busy week we have had! All the children are fully engaged in their learning, which is simply delightful. Our Reception children have done fabulously and have now started their phonics and maths lessons—what a joy it is to witness their progress! As I've popped in and out of classes, I've observed some brilliant learning across the curriculum: from exciting science experiments and constructing timelines to acting out stories and mastering the art of sending emails. It's truly wonderful to see such a broad range of learning opportunities taking place. Have a restful weekend.

For this week's newsletter, the focus is on writing! Since returning to school, the children have been diving into some exciting sentence-level work tailored to their year group. In Nursery and Reception, the emphasis is on engaging in plenty of speaking and listening, as well as starting to make marks on the page—what a fantastic way to express themselves!

As we move into Year 1, our little ones are beginning to form sentences. They are learning how to start and finish sentences, which is such a crucial skill. Once they've got this down, we'll introduce conjunctions to help them join sentences or parts of sentences together, opening up their writing even more! At William Stockton, we are all working really hard to enhance our writing skills. Keep an eye out for some wonderful creations from our talented children!

Our new swimming programme of swimming in blocks, has been incredibly successful. 5/6M have made superb progress in their swimming ability. We are excited to see how this continues to develop over the year.

Reminder:
Year 5 have a school trip on Tuesday 23rd September. Please make sure your child has everything they need.
