IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

This week, we had some visitors in school who were quality assuring the education we provide for our children. It was absolutely lovely to hear from an outsider's perspective how wonderfully calm and welcoming the atmosphere is here. The warm relationships between our students and staff are truly special, and it's heartening to see that recognised by others. I felt a swell of pride as I listened to their feedback, although to be honest, they didn't tell me anything I didn't already know! Our school community is indeed a remarkable place, and it's a joy to be part of it. Thank you for all your continued support as we strive to create this nurturing environment together!

In maths this term, we've been diving into the fundamentals like basic addition, subtraction, times tables, and number skills. These are essential building blocks that will bolster the children's learning for the rest of the year. The daily practice of arithmetic skills has really paid off, as the children are now demonstrating a stronger understanding and applying what they've learned in their Power Maths lessons. It's quite impressive to witness their confident recall of newly acquired facts! If you're keen to find out more about our arithmetic focus and how it ties into what we're doing in class, please do check out our maths page on the website.

5M - please remember your  
swimming kits daily from  
29<sup>th</sup> September - 10<sup>th</sup> October

Please only wear PE  
hoodies on PE days. When  
children don't have PE,  
they are expected to wear  
their normal school  
jumpers. Thank you.
