IT'S IMPORTANT ALL CHILDREN ARE IN ON TIME TO LEARN**

This week has been an exciting week in school! We were delighted to welcome the EAL Academy, who travel to various schools both nationally and internationally to evaluate how effectively schools support children with English as an Additional Language. To our absolute joy, we have achieved the highest accolade possible—the coveted Gold Standard! A massive thank you goes to Mr Millington, our dedicated leader for English as an Additional Language, whose hard work and commitment have made this possible. He is now set to share our best practices across the Trust, ensuring even more students benefit from our exemplary provision. What an achievement for our school community!

From the moment children start in Nursery, they embark on an exciting journey of understanding history—beginning with their own families! In Reception, little ones explore the various stages of life, from being a baby to a grandparent, while also discovering special celebrations that mark those milestones.

As we move into Year 1, we delve into the history of William Stockton School, comparing our present with how things used to be. Year 2 takes us further back to the Victorian era, where the impact of Florence Nightingale on hospitals becomes a fascinating topic.

In Years 3 and 4, our young historians investigate the early settlers, uncovering the remarkable changes throughout the Stone Age, Bronze Age, and Iron Age. Finally, in Years 5 and 6, we traverse the globe to learn about the incredible Ancient Maya civilisation in Central America.

Reminder - The school book fair opens on Tuesday. Come and have a look what books we have to offer. Please bring cash - we can't take cards.

Please only wear PE hoodies on PE days. When children don't have PE, they are expected to wear their normal school jumpers. Thank you.
